# Attention Veterans

## VA Community Choice Program

Audiology with a Heart is now able to provide hearing aid services to Veterans through the Community Choice program. Please call the office at 561-366-7219 for more information.

The VA established this program to meet the needs of Veterans who were having difficulties receiving services at their local VA whether because of distance or appointment availability. You must call your Community Choice rep at the VA to submit your request to receive services from our office. You can visit the VA's website for more information by clicking the link below:

The West Palm Beach Community Care phone number is 561-422-5777

## 50/50 Raffle

There is still plenty of time to get your raffle tickets! Remember the more you buy, the more you could win! The drawing will be April 2 and you do not need to be in Florida to win - we will contact you!

Call us with a credit card number or mail in a check and we'll do the rest. Good luck!

Are you having a hard time hearing TV?

Do you use headphones but they get heavy after awhile? Do you watch TV in bed and can't wear your hearing aids?

There is a new product available that might resolve these issues! Chairspeaker is a device that hangs over the back of your chair and has two speaker that go on either side of your head so that the sound is directed to your ears instead of out into the room.

**[Click this link for more information.](#)**

The online price is \$249.00 but if you call customer service and mention our office, your price will be \$199.00.

Our office is not benefiting financially if you purchase this product, but the owner of the company appreciates us highlighting his product.

We have a demonstrator unit in the office so call 561-366-7219 if you want to come by to try it out.
